

MINISTRY OF HIGHER EDUCATION AND SCIENTIFIC RESEARCH

<https://www.mesupres.gov.mg/>

Minister : *Excellency Professor Ndaohialy Manda Vy Ravonimanantsoa*

Secretary General: *Professor Salava Julien*

GENERAL DIRECTORATE OF SCIENTIFIC RESEARCH (DGRS)

Director General: *Full Professor RANARIJAONA Hery Lisy Tiana*

hranarijaona@gmail.com / whatsapp : +261320557982

The DGRS assure coordination and guidance of the research, innovation programs and policies, in line with the National Research Strategy (SNR) and the National Research and Innovation Policy (PNRI).

As part of its scientific steering mandate, the Directorate General guarantees the scientific quality, coherence, and relevance of the activities conducted by all National Research Centers.

An official meeting held once a year to :

- give its opinion on each center's provisional work program, particularly with regard to the resources to be committed;
- assess the scientific quality, feasibility and relevance of planned research and development projects;
- review progress made during the year and analyzed the results achieved.

Madagascar's Nine Research Centers –Directorate of Research and Innovation and their Mandates
